Dear Parent/Guardian

Parking in the School Car Park

As we start the new academic year, I wanted to make a plea to you regarding the parking in both our school carpark and surrounding area.

Parking continues to be a significant problem for our school. Unfortunately, we receive complaints every week about this issue from parents, local residents and nearby businesses. To date, we have met with the local council, PCSO and Highways agency to seek solutions to alleviate this problem and trying to resolve such issues takes up a lot of our teacher's time and resources – we would much prefer for our teachers and leaders to be with your children, teaching and supporting them, rather than having to deal with car park issues. Furthermore, inconsiderate parking puts our school community's safety at risk and unless we all work together, I am concerned that the situation will not change.

It is really important that, whenever possible, you consider if you could walk to school with your child or park a safe distance away and walk. We appreciate that this might mean you have to leave a little earlier to get to school. Please do not park in the Rowtree Dental Care/Dane's Camp Surgery car park as you will be fined.

You can only park in the school carpark if you have an agreed parking pass displayed clearly in your car.

If the pass is not on display, entry may be denied (we have popped them into a window sticker case to help).

Please also note that passes are *not* transferrable to other family members/friends.

Lastly, thank you to all of the parents who always park safely, considerately and work with us to solve this problem.

Kind regards

K Pennington
