

CAREERS WEEK 2024

10 - 14 June

At EHPS we want our children to be aspirational, know their future choices and opportunities and be well equipped with the skills to be able to contribute to making a better world.

As part of our Careers and Aspirations Education Team we are thrilled to share our plans to hold a Careers Week. This week will also coincide with Money Week and it will give the children the opportunity to learn about their future choices and opportunities.

Could you spare a couple of hours to talk to the children about the work you do on 11th or 13th June in the afternoon? Are you able to share your story and inspire the children?

If you are able to support Careers Week, please contact Miss Welch via the school office or scan the QR code to complete the registration form by 9am on 19th March.

More information will follow closer to the event.
