

Welcome to Autumn 1 in Year 1

Here is a brief summary of what will we be learning this term?

As writers, we will be looking at the main features of a 5 sentence story using the story 'Jack and the Beanstalk' as a starting point. The children will be encouraged to write in simple complete sentences using a capital letter and a full stop with increased independence and accuracy.

In spelling, we will be focusing on the Year 1 Common Exception everyday words and the spelling of new words using 'say the sound, write the word'.

In handwriting, we will be presenting our work neatly. We will be working hard on the formation and orientation of our letters following our handwriting scheme Kinetic Letters.

In reading, we will be exploring the picture book The Umbrella by Ingrid Schubert. We will be using a range of oral comprehension skills to construct meanings from an image.

As mathematicians, we will be learning about place value within 10. We will be counting, representing, comparing and ordering. We will be introducing parts and wholes using the part-whole model and writing number sentences.

In Number Sense we will be subitising numbers from 1-5 and explaining what we see, using prior knowledge.

Our Key Instant Recall Facts (KIRFS) are to quickly recall number bonds to 10.

As scientists, we will be identifying, naming and describing common animals, including scientific vocabulary.

As Historians we will be learning about Queen Elizabeth the second as a significant individual in living memory and how she influenced our lives today.

As artists, we will be learning how to control a pencil to achieve different tones and effects. We will be looking at everyday real objects and using our artistic skills to replicate these.

In computing, we will be learning how to group and sort data.

In PSHCE, we will be learning about kindness, believing in ourselves, showing our best and working hard. Our school values of ready, respectful and safe will continue to be our focus throughout.

Please follow this link to view our wider curriculum:
[East Hunsbury Primary School - Our Curriculum](#)

In PE, we will be following our PE Real PE curriculum. The first unit is Personal PE where the children will be working on throwing and catching with accuracy.

As musicians, we will be exploring sounds including timbre, pitch, dynamics and rhyme.

Our PE days are: **Monday & Tuesday**

In Year 1, we are all brilliant!!!
