

## CLUBS & EXTRA-CURRICULAR ACTIVITIES

The school offers a wide variety of clubs and extra-curricular activities to pupils to enhance their learning experiences. Clubs take place before, during and after the school day and are run by school staff or external providers.

In addition, Key Stage 2 pupils are given the opportunity to learn to play a musical instrument. Music teachers from Northamptonshire Music & Performing Arts Trust visit the school during the school week to teach strings, guitar, keyboard and woodwind lessons.
