MESSAGE FROM THE HEADTEACHER

Dear Families

Another brilliant week here at EHPS with so much learning and exciting events packed in.

Paige Gibson and the EHPS Alumni

On Monday, we had an inspirational assembly led by Paige Gibson and her kickboxing coach. Paige, is an ex-pupil of East Hunsbury Primary School (she left in 2019) and is representing Great Britain in the World Kickboxing Championships in Canada, later this month. We will be closely following her progress and will update you when we can. Your child will have also brought home a leaflet regarding martial arts, incase your child is interested.

As you are aware, today's mufti was to help raise sponsorship and support Paige so if you would like to donate please click [here](#).

We believe East Hunsbury is a fantastic school to set children off on their life journey and we have been busy building our Alumni (ex-pupils who have achieved great things and can inspire the future). If you know, or are, an ex-pupil who would like to join our Alumni please email me at penningtonk@easthunsburyprimary.org.

World Mental Health Day - 10th October

It was World Mental Health Day on 10th October and each class held a class assembly in which they watched this short video by Ant and Dec. Click [here](#) to watch it. The video is linked to ITV's B'ritain Get Talking' campaign.

Every child had a little homework to do from this session which was simply to talk to someone at home about their worries - **did any of them talk to you?** In school we also talk regularly to the children about helping hands - where they name 5 people (5 fingers) who they could talk to at home and in school.

Here is also short Loom of Mrs Roberts introducing the theme:

♥ ACCEPTANCE ♥

Year 5 Assembly – Protected Characteristics

At EHPS, we are proud to be inclusive, diverse and accepting of our community – we want every child to be able to be who they should be. On Tuesday, I led a special assembly with Year 5 all about Protected Characteristics. These are the 9 characteristics that the Equality Act 2010 says that you must not be discriminated against. See over the page for the 9 Protected Characteristics which you may want to talk to your children about.

Future Leaders - Elections week

Is your child a future leader? EHPS is more than just teaching children to read and write because we are always trying to grow our future leaders and have ensure that there are a variety of roles across the school that they will be interested in. Such as:

- Play Leaders (Year 6) who will support play at lunchtimes
- Reading Ambassadors (Years 4-6) who will promote reading and help with all of our reading events and in the library.
- Ministers (Years 1-6) who will be part of our School Parliament
- House Captains (Year 6) who will support the Heads of Houses (teachers) in running the Houses across the school.

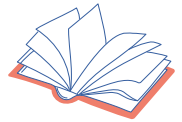

We also have our Digital Leaders in place and coming soon with be our Mental Health Ambassadors as part of our Health and Well Being Education Team.

It is through these roles that the children will learn about democracy, applications and interviews.

RED OCTOBER

We are right in the middle of our brilliant RED October (Read Every Day)! Children are stopping me in the corridors telling me how they are getting on with the Book Bingo or which of the 100 reads they are reading.

As part of our RED October, last week the outstanding Word Guerrilla visited us and led assemblies and workshops across the school. The children enjoyed rapping, performing and making up their own poetry throughout the day. I love the quote: 'Poetry is just the best words in the best order,' by Samuel Coleridge which shows us that we are all poets!

This week Mini Grey visited Key Stage 1. Mini is a well-known writer and illustrator and the children loved learning all about the books she writes and what inspires her. We are delighted and humbled that she drew our very own illustrations - we are definitely going to frame these!

Lastly, children in Key Stage 1 and the SU need to bring in a named book to share with someone from KS2 on MONDAY for our first House event! Exciting!

Thank you everyone, enjoy your weekend.

Ms Pennington.

PAIGE GIBSON BIO

I'm Paige, I am 16 years old and I have a huge passion for kickboxing. Through dedication and hard work, I've achieved the honour of becoming the British Full Contact Kickboxing Champion.

I started my kickboxing journey shortly after I left East Hunsbury Primary School at age 11. I had been at EHPS since I was 4 and I was very apprehensive to leave my safe environment, where I had made amazing memories and created unforgettable bonds - not only with my friends but also the teachers there who did absolutely everything to make each day fun, engaging and inclusive.

My dad found Endurance Martial Arts Academy and ever since I've fell in love with the sport. The club is so amazing at teaching children and adults about not only martial arts and self-defence but also about basic life-skills that you can use anywhere. It's been an incredible journey filled with training, discipline and perseverance.

Now, I'm excited to take my skills to the global stage as I prepare to represent my country at the WKU World Championships in Canada on October 16th. I'm determined to give it my all and bring home the World Championship Title.

BLACK HISTORY MONTH

2023 Celebrating our Sisters

Black History Month is celebrated in the UK during the month of October every year.

It is an opportunity for everyone to learn about significant Black and Mixed Heritage people and their contributions to Britain and worldwide.

The theme of this year's UK Black History month is 'Celebrating Our Sisters'.

The aim of this theme is to learn about Black and Mixed Heritage British women who have shaped history. We will learn about their achievements and accomplishments.

Nicola Adams became the first female to win an Olympic boxing GOLD medal at the London Olympics 2012.

The most important thing is to be honest about yourself. Secrets weigh heavy and it's when you try to keep everything to yourself that it becomes a burden. You waste energy agonising when you could be living your life and realising your dreams.

Here are Nicola's words....

I'm quite fearless. I'm like, let's just go out there and do this and see what happens.

Don't let anything stop you from going into the sport and do what you have to do.

CAREERS CORNER - WRITING

Is Writing your passion, do you see your future career in the world of words?

Writers produce creative work including books, scripts, songs, and TV programmes, to name just a few.

There are lots of different types of jobs for writers, in loads of different industries. Many writers are freelance/self-employed, meaning they will work on projects with lots of different organisations, not just one.

This career could suit you if you have solid research skills, an eye for a great story and, of course, a way with words!

ARTICLE WRITER/JOURNALIST

What you'll do: Perhaps the most common of all jobs for writers, article writers or journalists will produce regular content—either named or ghostwritten—for blogs and media companies. You could also parlay this into a magazine writer job.

SCRIPT WRITER

What you'll do: Product scripts for TV, movies, podcasts, or advertisements that entertain or entice people to buy.

TRAVEL WRITER

What you'll do: Write engaging content about travel: places to see, prices, hidden gems, excursions, and personal reviews of different locations.
