MESSAGE FROM THE HEADTEACHER

Dear Families

How can it possibly be the end of the first half term already? Time is really flying.

As I reflect back on the start of this academic year, what a brilliant time we have had. From the tallest man in England visiting us to RED October, Harvest Festivals and class assemblies. This week our Year 6 children jetted off on their PGL residential whilst some remained back in school taking part in creative and fun activities! More about how they got on after the holiday.

The children have so much to be very proud of and I am already looking forward to the run up to Christmas.

Meet your House Mates

The week started with a very special set of assemblies! We had our first: 'Meet your House Mates' assembly. Each of our houses met to share a book and have a biscuit.

It was lovely to see children from Reception to Year 6 and members of staff all meet and chat. It really is growing our family feel and strong sense of community.

We have so many exciting events planned and watch this space for tokens and badges (coming soon).

Year 4 and Yellow Class Assembly

On Tuesday, Year 4 and Yellow Class held their assembly and what an assembly it was! The quality and breath-taking performances from the singing to the dancing was simply outstanding. Every child taking part excelled and we are all very proud of you! It is wonderful to showcase and share with our families such talent.

Black History Class Assembly

Every class held an assembly about Black History Month. They discussed the theme 'Celebrating our Sisters,' and focussed in on one inspirational black female – Nicola Adams who is the Featherweight boxing champion. Throughout the month children have been given the opportunity to share, celebrate and understand the impact of black heritage and culture.

Author visits - Thomas Taylor and Hannah Gold

On Tuesday, Key Stage 2 had the most fantastic visit from Thomas Taylor – the author of Malamander, Gargantis and many more. The children were enthralled in his stories of becoming a writer, what inspires and what you can find when beachcombing! We got to hold mermaid tears, the scales of a Malamander and he even did some of our very own illustrations (come and see them on parents' evening). We love providing even more inspiration to our budding readers and writers.

RED October Mufti

The week ended with a fabulous red / book themed mufti! Some of the outfits were awesome! Well done and thank you to everyone who dressed up and got behind our annual RED October. Winners of all competitions to be announced when we return after the half term break. Every penny of the mufti day will go towards more books for our library.

Alumni 1 - Paige Gibson – SHE DID IT! WORLD FULL CONTACT KICK BOXING CHAMPION!

Thank you ALL so very much for your kind and generous donations to support Paige. We are beyond pleased to tell you that she WON GOLD at the World Kickboxing Championships in Canada this week. We are so proud to say that we have contributed to Paige smashing her £500 Crowd Funding target which is now at £1021 (when I last checked) – thank you everyone! Paige is our first Alumni and we could not be prouder of all that she has achieved – we were honoured that she had the EHPS logo on the back of her shirt and really displayed our values of Work Hard, Believe and Be Kind! Well done Paige - WORLD CHAMP!!

Parents' Evening

- 15th November – Mainstream and Specialist Unit
- 16th November – Mainstream

This week you received a letter about our Parents' Evenings. You can book your time by clicking on [this link](#). We have organised for the Scholastic's Book Fair to be open during both evenings. If you are unable to book an appointment, please do not hesitate to contact your child's class teacher to organise a suitable time. My door and Mrs York's (AHT and SENCO) will be open if you'd like to pop in for a chat. We look forward to seeing you then.

EHPS Spooktacular Event – Saturday 28th October 2pm-4pm

This week you received a letter all about our exciting Spooktacular Halloween event. We are hoping that if it is successful then we will be running more like this and making it even bigger and better. Please come and support us and see more information about it within this newsletter.

[Click here to visit our website to book tickets.](#)

Roofing – no more buckets to catch the water leaks!

Next week, work starts on our new roof (again, please see a letter sent earlier this week all about it). We are so happy that this is finally happening but it will have implications on our school site for approximately 12-15 weeks (excluding holidays).

Please note the following:

- Parking will be very limited due to 12 spaces being used for the contractor's compound. Even if you have a Parking Pass, if you are able to park and walk safely, or even car share, you must do this. Be kind to each other and park responsibly. I have sought support from the Police and Highways Agency.
- The Year 4 courtyard will be out of action. Year 4 children will need to enter via the Reflection Room door (near Year 3) and all clubs to be collected from the main front entrance.

That's it for now. Thank you, families, for all of your support throughout this term.

School opens on **Tuesday 31st October** (training day on 30th!) and all that is left is for me to wish you all a relaxing half-term holiday and please keep up the reading.

Please remember – my door (and email inbox) is always open.

SU NEWS

What a busy half term it has been in the SU! We have thrown ourselves into our enriching activities and children have taken part in one, two or perhaps all of the following:

Dance with Ella
Rugby with Jamie
Music with Emily
Yoga with Lisa
Forest School with Cat
Tennis with Maddee
Boost sessions with the Saints

Whilst enriching our learning with the above activities we have also been growing in confidence and skill and working super hard on being "brilliant" in our lessons. I have been particularly impressed with our work in phonics using Soundwrite this term.

A special mention should go to Yellow Class who performed brilliantly in their class assembly with Year 4 this week.

Keep it up everyone, we are extremely proud of all your achievements.

CAREERS CORNER - SCIENCE

Is Science your passion? Do you see your future career in the world of science?

Science careers are diverse, exciting, and rewarding, as they involve exploring the natural world and solving real-world problems.

You can choose from many fields of science, such as biology, chemistry, physics, geology, astronomy, psychology, and more, depending on your interests and skills.

Science careers can offer opportunities to work in laboratories, field sites, classrooms, offices, museums, hospitals, or even space stations.

Some science careers require a bachelor's degree, while others may need a master's or a doctoral degree, or specialized training and certification.

BLACK HISTORY MONTH

2023 Celebrating our Sisters

Black History Month is celebrated in the UK during the month of October every year.

It is an opportunity for everyone to learn about significant Black and Mixed Heritage people and their contributions to Britain and worldwide.

The theme of this year's UK Black History month is 'Celebrating Our Sisters'.

The aim of this theme is to learn about Black and Mixed Heritage British women who have shaped history. We will learn about their achievements and accomplishments.

Nicola Adams became the first female to win an Olympic boxing GOLD medal at the London Olympics 2012.

The most important thing is to be honest about yourself. Secrets weigh heavy and it's when you try to keep everything to yourself that it becomes a burden. You waste energy agonising when you could be living your life and realising your dreams.

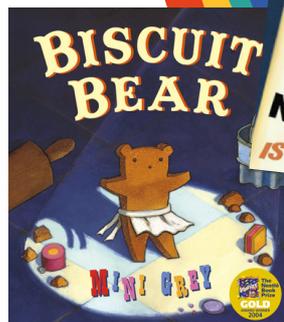

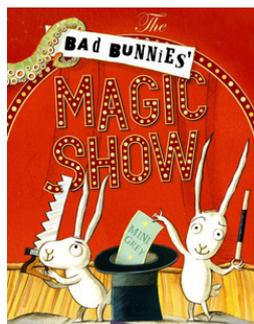

Here are Nicola's words....

I'm quite fearless. I'm like, let's just go out there and do this and see what happens.

Don't let anything stop you from going into the sport and do what you have to do.
