MESSAGE FROM THE HEADTEACHER

Dear Families

It's been another brilliant week here at EHPS and we are now firmly into week 2 of Autumn 2. The Year 6s started their swimming lessons, reception began their forest school learning and our Year 2 children are singing and dancing ready for their class assembly.

EHPS Future Leaders

Over the past few weeks, we have been practising our democratic right to vote by voting in our children's leadership groups. They are our:

- **Ministers** who are now part of our School Parliament
- **Playleaders** who will help organise physical activities out on the playground
- **Reading Ambassadors** who organise reading events and promote reading at all times!
- **Digital Leaders** who support our digital learning and technology across the school
- **House Captains** who will lead our House events and run our points system

Congratulations to all of the children who were chosen!

Soon you will be able to identify them around school as they will be wearing special badges, and we will keep you updated with their work as the year goes on. We know that they are going to have such an impact on the direction of our school – watch this space.

I wonder if we have a future prime minister in our midst?

Check out the newsletter next week for their specific roles and how they will support our school.

Assemblies

This week, we also had our first house assembly which was a huge success! Again, it was wonderful to get together in our house families. In the assembly we launched our new House Token scheme which is linked to our school values and introduced our new house captains. When a child is caught demonstrating one of our school values (Be Kind. Work Hard. Believe) they are awarded a House Token (which are wooden to match our forestry theme). Periodically, the House Captains will count up the tokens and we will share the results in an assembly. At the end of the year, the winning team will be awarded the prestigious House Shield!

At the end of the assembly, each child was given their House Badge! We hope that they wear them with pride (and look after them). If your child loses their badge, new ones can be purchased for a donation at our school office.

The week ended with a special remembrance assembly led by Vicar Griff for KS2 and class teachers for KS1. Thank you to everyone who brought a poppy or two and made a donation to such an important cause.

Adults and Tots

On Wednesday, we held our first Adult and Tots session of the school year and what a brilliant session it was. We love opening our doors to our community and running such events as these. I am always looking for more ideas to support our families so please do share if you ever have any. Please also let your friends and family know about these sessions by sharing this link for our [December session](#). Keep an eye on our Facebook page for 2024 sessions.

Run, run as fast as you can

On Wednesday, Mrs Kelly and Miss Ferrier took a group of 6 children to Abington Park for the Northamptonshire Sport Fun Run. WOW! The children did amazingly well. They certainly demonstrated our school values. Thank you to all of our staff who give up their time to run clubs and attend such events.

Year 4 Rainforest Experience

Last week, Year 4 and Yellow class were treated to a brilliant Rainforest Experience from Simon, a real-life Rainforest explorer. The children were enthralled with the experience and learnt so much which complemented their Geography learning. Even their reading unit is focussed on the

Amazon Rainforest as they will be exploring the book The Wonder Garden by Jenny Broom and illustrated by Kristjana S Williams.

On Thursday evening, we opened our doors to our prospective parents as we held a presentation and a tour of our brilliant school. Our choir sang, our Year 4s performed and our Year 6s toured the parents. I am so proud of our children. They really are a credit to you and reflected the true brilliance of our school amazingly. Scan this QR code to watch a short film about our school and if you know of any family looking for a school for September 2024, please do ask them to book a tour via our school website or call the school office.

What's coming up?

Finally, please have a look at have a look at our Christmas timetable of events (pg 9) – I know it seems early to share such things but we (I) like to be organised and prepared. Sign up sheets for the FEHPS hampers are now on the school doors.

Have a lovely weekend and thank you for your continued support. A reminder of the SLT emails if you should ever need them, including mine.

What Parents & Carers Need to Know about MICROTRANSACTIONS

Microtransactions (often abbreviated as 'MTX') are digital purchases made within an app or game to unlock extra features or additional content such as new levels. A popular sub-set of these are loot boxes, which contain a selection (usually random) of virtual items: from character skins to game-changing equipment like better weapons. Microtransactions (and loot boxes in particular) are now widespread in apps and games, but concerns persist that they normalise gambling and can foster addictive behaviours – especially among younger players.

WHAT ARE THE RISKS?

GATEWAY TO GAMBLING?

Microtransactions have been criticised for promoting gambling-adjacent behaviour in children. Research has also suggested that exposure to the loot box system could affect the wellbeing of a young person suffering gambling harms later in life: children who purchased or used loot boxes in the last 12 months were found to be more likely to have gambled during the same period, as well.

ADDICTIVE NATURE

Microtransactions (and loot boxes especially) could lead to young people displaying compulsive behaviours. Loot boxes are designed to be addictive, and the 'loot' after prizes they contain are dispensed at random. This means that young gamers might not get what they want straight away, causing them to spend more money as well as additional time gaming.

PAVING TO WIN

In many popular games (the FIFA series being a notable example), microtransactions make it far easier to succeed – which is a concern because children can often find it difficult to keep track of their spending. Once a child starts making in-game purchases, they may continue buying to keep up with their friends and other players – sometimes without recognising the mounting real-world cost.

DO YOUR RESEARCH

It's important to have a serviceable idea of whether the games your child plays use the loot box system (even if it goes by a different name) or includes the option of buying items, equipment and so forth. If so, it's crucial to help your child understand that this costs actual money, and that they shouldn't feel pressured into making any purchases.

STOP SPENDING AT SOURCE

You might decide that the wisest strategy is to remove the potential for spending money on microtransactions. If so, most games, apps and devices have options in their settings to help you manage what your child can spend – or to disable that function altogether, preventing them from buying additional items for their games or boosted functionality for certain apps.

CHAT ABOUT 'CHANCE'

It may help to explain to your child that many microtransactions involve an element of chance: they could pay money and still not get what they want in return. Emphasise that – while not usually costing much individually – these in-app and in-game purchases can soon add up. Talk to your child about how spending their money in a game or app means they have less to use in the real world.

(GIFT CARDS ON THE TABLE

Investing in an in-game currency gift card can be a useful way of helping your child get to grips with budgeting. If you buy, say, a £10 V-bucks Fortnite gift card, monitor how long it takes them to spend it. When they come to you asking for more, you could make it the starting point for a conversation about how quickly that money went and how they could earn their next gift card.

WATCH FOR THE SIGNS

If you're worried that your child's passion for a particular game or app may tempt them into habitual spending on microtransactions, it's important to remember the indicators of addictive behaviour: irritability, a lack of concentration and prioritising recreational screen time ahead of homework or mealtimes could all be signs that you need to have a conversation about a more balanced routine.

Advice for Parents & Carers

EXCLUSIVE CONTENT

DATA COLLECTION

To allow a young person to complete microtransactions, many app and game developers collect personal data such as their name, address, email, geolocation information, photos, payment details and so on. Even if this data remains secure (which is by no means guaranteed), there's always the chance that it will be used – and possibly sold on to third parties – for marketing purposes.

AFFECTING DAILY ROUTINE

Online games tend to revolve around repeated loops of activity that can affect purchasing decisions and potentially influence children's spending patterns. This could lead to your child not only handing over more money but also adjusting their daily routine to match the game's schedule – potentially impacting more important elements of their day, such as homework and family time.

SATELLITE SPENDING

If you've linked a payment method like a debit card or a PayPal account to your child's game or app, it's wise to keep a close eye on their microtransactions to ensure they aren't racking up a large bill. Letting a child have access to your card (if they're still too young to have their own) or other means of payment could also lead to them spending beyond the apps and games they normally use.

What are the risks?

1 Gateway to gambling

2 Addictive nature

3 Difficult to keep track of spending

4 Affecting daily routine

Here's a roundup of our RED October events

Best Costume winners were the following who each get a certificate, badge, bookmark and £5 towards a book at the Scholastic Book Fair this month.

Joseph 2CL
Hugo 2CL
Tom Purple
Oliver 4CH
Milly 5HD

Special mentions for their amazing costumes go to Louix and Juan in Yr 5, Millie and Amanda in Yr 3, Ethan, Stanley, Lexi and Emily in Yr 4, Heath Yr 2, Serayah Yr 1, and Evelyn in Reception.

EHPS had a visit from a brilliant author and illustrator **Thomas Taylor**.

Thomas spent time with our KS2 children where they learnt what sort of things could be found if you were living in Eerie-on-Sea. Who knew Mermaid's tears and Dinosaur poop were so valuable!

Thomas then signed some of his fabulous books, including his latest and final book in the series Mermedusa.

We couldn't let him leave us without having his photo by one of our amazing book wrapped classroom doors from our whole school reading spine. Not only did Thomas write *Malamander*, he also illustrated the front cover of the Harry Potter book also in the picture!

Year 5 participated in a webinar with author **Hannah Gold** all about her new book 'Finding Bear'. The children took part in a Q&A session and even heard an extract from the book!

Thank you for the amazing response to our Brilliant Book Bingo. It was lovely to see so many of you taking part, reading in weird and wonderful places, and on so many different topics. Well done!

We were also lucky to have a visit from author and illustrator **Mini Grey!**

Mini spent time with our KS1 and SU children, reading some of her brilliant books and sharing the process of

making a picture book. The children even had the opportunity to get drawing themselves. Check out the fabulous illustrations Mini has signed and left us. I feel a corridor display coming!

For National Poetry Day we had an exciting visit from EHPS friend WORD GUERRILLA.

David kicked off RED OCTOBER with two days of exciting performances and workshops for the children. David spent time with every year group with his spoken word rapping, with each class creating a rap

Ellie you are *AWESOME!*

Ellie (Yr 2) has been growing her hair for the last few years so that it is as long as possible. She's decided it's time for a change and wants to cut her hair. As her hair is so long, she wanted to do something good and has decided to donate it to the [Little Princess Trust](#). We want to celebrate Ellie making this decision and hope to raise £700 which is the the cost of making donated hair into a wig.

Ellie we are so proud of you at EHPS and you are showing us all how to live our school value of BE KIND.

If you would like to make a donation to Ellie's JustGiving page, please [click here](#).

You're Brilliant

Our amazing Year sixer has now got 4 Blue Peter badges.

A reading one – for drawing a scene from her favourite book.

A classic one – for drawing a picture of the King for his coronation.

A music one – for playing her guitar.

A purple one – for completing a survey all about how Blue Peter could improve.

This is amazing and we love seeing our learners go above and beyond their school learning!

Apply for a Blue Peter Book badge

Introducing the exciting new Book badge, designed by one of the UK's best known illustrators, Sir Quentin Blake; who you might know from bringing to life characters such as Roald Dahl's BFG and Matilda! To earn your badge, just share your love of books with Blue Peter by answering a few easy questions.

REMEMBRANCE DAY AND THE POPPY HELEN COX CANNONS

Why do we wear poppies on Remembrance Day? Read this book to find out the answer to this questions and more!

Discover what happens on Remembrance Day all around the world, who we remember and how poppies became an important symbol. This series uses simple text and engaging

pictures to reveal the true stories of dramatic events and famous people from the past.

REMEMBRANCE DAY GILLIAN CLEMENTS AND GILLIAN CLEMENTS (ILLUSTRATOR)

WE WILL REMEMBER THEM: THE STORY OF REMEMBRANCE DAY S WILLIAMS AND OLIVER AVERILL (ILLUSTRATOR)

Every year, crowds of people come together to remember the men and women who fought and died in wars. This beautifully illustrated non-fiction book explains to children why it's so important to remember those we have lost in wars.

The sensitively written text tells of the world wars as well as other wars that are remembered at this time. We look at the history behind poppies, why we hold 1 or 2 minute silences and what happens in commemorative parades around the world.

The book includes poems and quotes from veterans who bravely fought in these wars.

There are some moments in history that are so dramatic or important that people remember them forever.

Remembrance Day looks at the history behind the anniversary of the armistice of 1918 that ended World War I. It also looks at how the 11th hour, of the 11th day, of the 11th month has come to commemorate those killed in all wars in the following years.

House News

On Monday 6th November, the children had their first half-termly house assembly, where they found out who their House Captains were, how they can achieve house points and they received their house badge.

Your child's house badge is now part of your child's school uniform so they should wear it every day. If your child loses their house badge, then you can request one from the school office for a donation.

Tokens and token boxes (see below) are in every classroom so every child in every class has the opportunity to earn points for their house every day.

Our Christmas house event takes place on 29th November - Christmas tree wishes. In class, every child will write a wish for their school, family, community or world on a star. They will then decorate this star in their house groups. Each house will enter their decorated Christmas tree to the St Benedict's Christmas tree competition.
