### MESSAGE FROM THE HEADTEACHER

Dear Families

Friday again and I do hope that you have all had a lovely week – we certainly have at EHPS HQ!

#### **Born to Perform!**

What a start to the week! We had the AMAZING Born to Perform (yes the David Walliams Golden Buzzer dance group) lead a whole school assembly. We are incredibly proud of all of them but especially Jessica and Caitlyn who are ex-pupils of ours and are now part of our Alumni! Many more former and current pupils belong to Born to Perform. It was simply inspirational, and we all had a brilliant time!

#### **Bringing Learning Alive**

Last week, Year 3 had a fantastic trip (although a little rainy) to Chester House where they cemented their learning on the Romans. They were brilliantly behaved and it was wonderful to see their learning come to life.

#### **Blue Butterfly project**

On Tuesday, our Year 3 and Year 4 children took part in the Blue Butterfly project led by Northants Police. It is a workshop aimed at helping children recognise that butterfly feeling that is often in their tummy – sometimes it is nerves or excitement but sometimes it is a clue that something isn't quite right. They were taught to listen to this feeling and what to do if they feel they need to share it with someone.

#### **Parking Support**

Did you notice on Wednesday and Thursday last week several PCSOs and traffic enforcement officers patrolling the car park and surrounding roads? As a school, we are working really closely with the authorities to improve our parking situation as it remains a time consuming and serious issue for us. As a PCSO said to me: 'Cars don't park themselves,' so please, park and drive responsibly, safely and respectfully – the solution to our issues lies in your hands.

#### **Read, read, read**

As you are aware, reading is such an important life skill and something we take very seriously here at East Hunsbury Primary School with our RED (Red Every Day) October, 100 Reads and fantastic curriculum.

Reading is the gateway into other worlds, a chance to grow the imagination and an opportunity to grasp new knowledge. It is also the foundation of accessing so many other subjects. No matter what age your child is, how often do you read with them?

According to researchers in the US, here is how many words children would have heard by the time they are 5 years old:

I am pleased to share with you that our Reception children have been working very hard on a special reading challenge. The aim of the challenge is to read at least 5 times during the week (ideally every day/night) – if they do, they will receive an extra-special medal!

Read, read, read!  
Reception Reading Book Challenge

Child's Name: \_\_\_\_\_

	1 <sup>st</sup> read	2 <sup>nd</sup> read	3 <sup>rd</sup> read	4 <sup>th</sup> read	5 <sup>th</sup> read
Week 1 18 <sup>th</sup> January					
Week 2 22 <sup>nd</sup> January					
Week 3 28 <sup>th</sup> January					
Week 4 3 <sup>rd</sup> February					

I really encourage every family to hear their child read daily whether that this is reading their school reading book or simply reading and sharing a book together. Make reading time a protected, snuggly time.

**Could your company, or one you know, buy/sponsor a bookcase for our library?**

Sadly, we have experienced some water damage in our library. Therefore, I am seeking companies who may be able to support/sponsor our library by buying a bookcase... if you do know someone or a company who might be interested in this, please can you ask them to contact [myself](#) or our librarian [Mrs Ruth de Chastelain](#). We will have a little plaque mounted on the side of the bookcase for them!

**World Book Day – 7th March 2024**

We are very excited about World Book Day which is coming up soon and we are planning lots of fabulous things. However, I wanted to give you advance notice that we will not be asking the children to dress up – it will be a normal school uniform day (we dressed up in October as part of our RED October). Watch this space though for more information about what we have planned!

## Northampton Town Football Club Partnership

Whilst music is very important to us, so is sport and we are proud of our partnership with NTFC. On Thursday, we were presented with our plaque and a visit from Crawleys who are helping to fund some activities and resources we have in place at school. They were amazed at the great work going on and the wonderful behaviour of our children. Did you know that on Saturday many of our families benefitted from the free tickets we offered out to watch the Northampton Town Football Club vs Wigan Athletic game – did you go?

## Saints Foundation Green Match Game

Did you know that on Saturday many of our families benefitted from the free tickets we offered out to watch the Saints vs Newcastle game – did you go? A special well done to Freya, Aiden and Oscar who represented East Hunsbury Primary at Saints Sustainability Match last Saturday. They went onto the pitch at half time and were chosen because of their brilliant and commitment to taking care of our world. Thank you to Mrs Linnell for overseeing it all as well. Team work makes the dream work!

## Farewells and Hellos

This week, we said goodbye to our wonderful Mrs Hayhurst who has now left us to start her new adventure in Scotland. I cannot thank Mrs Hayhurst enough for all that she has done for our school, including the support she has given the FEHPS. We had a lovely surprise assembly on Tuesday to say ‘Goodbye,’ and I hope to update you soon on how she is getting on. Also, Mrs Rachel Parris, who works in the SU has left us to return to her previous school. We have loved having Mrs Parris with her and wish her the very best.

This has meant that this week we have welcomed Miss Alice McIntyre to our teaching team. She has been in over the past few weeks getting to know the children and it feels like she has always been a part of our family. Welcome Miss McIntyre – we are really pleased to welcome you officially to the East Hunsbury Primary School!

## Change Makers Sale TONIGHT!

Finally, a huge thank you in advance to everyone who is planning to attend our Change Maker’s Bring and Buy sale this afternoon 3.30pm - 4.30pm in the music room and to those who have donated their unwanted bric-a-brac. Miss Welch, and her team of Change Makers, have been working very hard planning a quiet space on the playground and your donations will help support this and our other playground projects we have underway.

Enjoy your weekend everyone and I will see you on Monday.

*Ms Pennington*

## Parents’ Evenings

# Healthy mind, healthy body challenge

We are very excited about our PE and PSHE Healthy Mind, Healthy Body challenge. Each week, there will be a PE or PSHE task based on a specific skill for that subject that you can complete at home, either by yourself, with your siblings, or with the whole family!

These activities are not compulsory but are a great way of learning or practicing new skills. You can always show your teacher that you've completed these via the class dojo. Make sure to look for these jobs in the newsletter each week.

PLEASE SUPPORT  
Mufti for Felicity

Please meet Felicity and her Mummy.

Felicity and her family have come to my attention as part of our Hunsbury community. Felicity is three and a half and her sister attends Hunsbury Park Primary where she was due to start in September.

Sadly, Felicity has been diagnosed with a terminal brain tumour and their family are raising money to provide Felicity with the most special memories and make her wishes come true.

After learning about Felicity, I wanted to do something as a school to support them. Therefore, we will be having a **Mufti Day on the last day of term, Friday 16th February**. We are encouraging children and staff to wear bright colours but they can simply choose their own clothes. All we are asking is for a donation to this wonderful cause.

To donate, and to find out more, please visit this [Just Giving Page](#).

### Setting up parental controls on your child's mobile

If you do not have the same mobile phone as your child, and therefore are unable to use Google Family link or Apple Family Sharing, then you can set restrictions on your child's device instead.

#### Apple devices:

To set up restrictions on your child's device directly (rather than using an app) then follow the instructions on the link below:

<https://support.apple.com/en-us/HT201304>

The instructions will show you how to get to the settings on your child's phone and then how to set restrictions such as restrict content, schedule downtime, set time limits for apps. You will need to set a passcode 'use a screen time passcode' to ensure changes cannot be made after you have set them.

#### Android devices:

As with the above link, this link shows you how to set up parental controls on the device itself by creating a PIN:

<https://support.google.com/coolidge/answer/10757387?hl=en-GM&topic=9620&ctx=family-members-who-manage-their-own-accounts>

### PlayStation

Does your child have a PlayStation? If so, have you set up appropriate parental controls? Some examples of the parental controls available are:

- Set age restrictions,
- Set daily limits,
- Control chat and messaging,
- Set spend limits.

#### How can I block/report other players?

If your child is playing with other players, then please ensure they know how to report/block other players and to tell a trusted adult if they do come across anything upsetting or that they are unsure of. This link details how to do this based on the device they have:

<https://www.playstation.com/en-gb/support/account/block-players-psn/>

#### What games are suitable for my child?

PlayStation have included a list of games along with their age rating to help you find a game that may be appropriate for your child to play.

<https://www.playstation.com/en-gb/editorial/great-ps4-games-for-kids-and-families/>

Whilst age ratings do allow you to see if a game may be appropriate, it is also important to review the game yourself and see if it includes additional features such as chat. This will allow you to make an informed decision as to whether it is suitable and if you need to apply further parental controls.

#### Further information

You can find out more about the controls available here:

<https://www.playstation.com/en-gb/parental-controls/>

### YouTube Shorts

You should be over 13 to post videos on YouTube. YouTube Shorts are short videos which are similar in format to videos you find on TikTok or Instagram Reels. 'Shorts' are available to watch on the YouTube homepage or on the Shorts tab in the app. As they are quick to watch, they can be addictive and lead to excessive screen time. If your child is watching these videos, ensure they know that there is a report button. The INEQUE Safeguarding Group discuss this feature in more detail here:

<https://ineque.com/2024/07/04/youtube-shorts-need-to-know/>

## NO IDLING CAR ENGINES IN THE CAR PARK PLEASE

Always switch your engines off when in a parked car. Leaving your engine running when your vehicle is stationary is called idling. This creates air pollution by increasing the levels of exhaust fumes and harmful gases in the air. No one, especially children, should have to breathe in these fumes.

**NO DOGS (EXCEPT GUIDE DOGS) ARE ALLOWED ON THE SCHOOL SITE EVEN IF THEY ARE BEING CARRIED. PLEASE DO NOT TIE THEM UP OUTSIDE THE GATE.**
