MESSAGE FROM THE HEADTEACHER

Dear Families

Well, we have made it to the end of Spring 1 – it doesn't seem a moment ago that we were putting up the Christmas tree, let alone beginning to welcome in Spring (we are 2 weeks away before we officially welcome the start of Spring on 1st March). It has been a truly brilliant half term, and I am incredibly proud of all of the children and staff who make East Hunsbury an utterly magical place to work and learn.

Year 3 and Orange Class assembly

On Tuesday, we had another spectacular year group assembly. Year 3 and Orange class performed superbly to their families. The standard of dancing, singing and performing was once again incredibly high. I was amazed by the body percussion (inspired by our visitor Olly, from The Beat Goes On, this term) and how all of the children danced so beautifully together. As many of you saw, I had quite a few tears of pride in my eyes at the end as each and every one of them performed as true superstars and it affirmed to me just how lucky I am to be their headteacher. Well done everyone! A special thank you to Sam, our dance teacher, and to all of the teachers and support staff who work tirelessly to provide a platform to share your children's brilliance with.

Visitors

This week we have had some special visitors in to help us evaluate how we do things and the impact it has on your children. Our Associate Head visited on Tuesday and was really impressed. She commented on the fabulous things going on around the school and said that the teaching was focused and the children's behaviour was very good. On Thursday, we had a Safeguarding Audit and they reported that the sense of direction and common purpose was fantastic. They also commented on our robust online safety and attendance protocols alongside our excellent support for families.

It is great to learn that we are continuing to do things very well here at EHPS but we are always going to strive to be better. Over time, you will spot some actions we will undertake to make things even better – onwards we go as brilliance really is our minimum standard.

#BRILLIANT

House Pancake Race

What fun we had on Wednesday (sadly we were rained off on Tuesday)! We had our first House Pancake Race. It was amazing to see the whole community laugh, cheer and have fun together! Well done to all of the runners (including the teachers!!) and a huge well done to Salcey (led by Miss Stryjek) who won. Roll on next year!

Reading and x-tables

Please keep reading with your children and practising their x-tables and KiRFS. This is really important – a little every day really does go a long way. They are both the building blocks to writing and maths. I am really enjoying the Year 4 wild KiRFing!

Bingo

Thank you as well to the families who came along to our Bingo night and supported the FEHPS! Again, we raised over £550 all of which will go directly into supporting your child's education. A special shout out to Mrs Indy Jutla, our Head of the Friends Committee, who works tirelessly with her FEHPs team to organise and run such fabulous events – thank you Indy!

Reception Reading

Well done to all of our amazing reception children who have completed their 4 week reading challenge. In their class assembly this week the superstars were awarded a certificate, super reader sticker and a gold medal! Well done.

FYI – The Scholastic Book Fair will be in school from 6th to 8th March from 3:30pm every day during Parents' Evening (access via the front office). You will be able to browse over 200 books and you can pay with cash or securely online.

A polite reminder to NOT to book holidays in term time – they cannot be authorised and you may be fined by the local authority.

Finally, today we have said fond farewell to Mrs Joanne Fiendley from Orange class. Joanne has decided that it is time to seek a new venture and we all wish her the very best.

Thank you for your continued support over this half term and I wish you all a restful week. See you on Tuesday 27th February (26th is a training day).

SU NEWS

Green Class have been SUPER busy learning lots of wonderful things recently. We enjoyed some PSHE that focused on the story of 'The Rainbow Fish' and sharing with our friends. We even had a video message from Rainbow Fish asking us to help them when they were feeling poorly, and we had to share our colourful scales with them.

We have had lots of fun in Science finding out which materials are waterproof - the children enjoyed pouring water over my head!

We have, of course, celebrated Pancake Day and Valentine's Day this week by reading 'Mr Wolf's Pancakes', 'Love Monster' and 'Love, Splat' and doing some lovely activities around those stories.

This is my first entry in the newsletter, and I have to say that I am so happy that I joined EHPS. We have had such a great time in Green Class, and we can't wait to get started again after half term!

Have a lovely break! Neil

We'd like to wish Thomas and Freya from Year 5 and Matilda from Yr 6 lots of luck in their upcoming stage performances of NMTCS' production of 'Oliver!' at the Cripps Hall Theatre between 22nd - 24th February. [Tickets are available here](#) if you'd like to go along and support them. Break a leg all!

Saints Green Game

Changemakers 10p Coin Trail

All classes will go head-to-head to collect the most 10p's. We are also going to make it a House event. The winning House will be awarded an additional 100 points. Each class will have a donation pot and will start collecting after the February half-term break. We will be collecting up until the Easter holiday on 28th March. Our aim is to make a trail of 10p's to stretch all the way around the school playground.

PARKING

We have received another complaint from a local resident about inconsiderate and dangerous parking this week.

- DO** park safely and considerately
- DO** be polite to our neighbours
- DO** be a considerate driver and put your children's and other parents' children's safety above everything else.
- DO** your best for your own children by teaching them about road safety.

- DON'T** park across driveways
- DON'T** park dangerously
- DON'T** park on footpaths
- DON'T** park on zigzag lines

Congratulations!

Milly in Yr 5 trains with Northampton Swimming Club 5 or 6 times a week and qualified for a staggering number of races in the County Championships this year (her first year of competing - 10/11 age group).

This competition took place at the Corby International Pool which is 50m long over 4 weekends. We hardly expected her to make any finals, being a year younger than a lot of the swimmers in her age group but she did fantastically well!

Milly is the fastest 10 year old at 200m freestyle in the County (coming in 4th) and although she narrowly missed out on a bronze medal in the 100m butterfly she came back the next day and won the silver in the 200m Individual Medley (50m butterfly, 50m backstroke, 50m breaststroke and 50m freestyle)!

Her sister who used to attend EHPS also came away with a number of medals.

E-Safety

As part of an enriched curriculum, your child will be accessing the internet, school email and virtual learning environment via a filtered service provided by our IT supplier. In order to support the school in educating students about safe use of the internet, we are asking parents and children to read and sign the [Acceptable Use Agreement Rules](#).

The rules provide an opportunity for further discussions with your child about safe and appropriate use of the internet and other online tools (e.g. mobile phones), both within and beyond school (e.g. at a friend's house or at home). Sanctions in place for misuse of technologies and subsequent breach of the rules are detailed in the full [Online Safety incorporating Acceptable Use Policy](#) which parents/carers can view on our website.

Signing this form is mandatory as it forms part of our safeguarding procedures. This form must be signed by every child by 28th March 2024.

Should you wish to discuss the matter further please contact Ms Pennington

PLEASE READ AND DISCUSS THE ACCEPTABLE USE POLICY/RULES WITH YOUR CHILD THEN
[CLICK HERE TO SIGN THE FORM](#)

It has come to our attention that some children are experiencing a problem with **Roblox**. It seems that a Pop up questionnaire is interrupting play accompanied by a loud sound. The questionnaire has a series of questions which are not appropriate for the children.

What Parents & Carers Need to Know about ONLINE DATING & RELATIONSHIPS

Most online dating apps claim to be for over-18s only but, in some cases, relaxed age verification also allows children to access them. What's more, some popular social media platforms use similar design features to many dating sites - blurring the line between why a young person freely downloads an app and what they actually end up using for.

WHAT ARE THE RISKS?

- ONLINE GROOMING**
Online grooming is when someone forms a connection with a child in the digital world and carefully cultivates the relationship with the intention of manipulating the child into doing something about or being. The process involves gaining the young person's confidence which can make them less likely to tell a trusted adult about their real online 'friend' or to recognise what is even happening.
- WEBCAM BLACKMAIL**
Some young people have been coaxed into getting nude or semi-nude as a video chat with someone they met on a dating platform. They're then told that unless they hand over a certain amount of money, a recording of the video will be posted online (or possibly sent to their contacts). This can be hugely traumatic for a young person and, in extreme cases, has resulted in self-harm and even suicide.
- DAMAGE TO SELF ESTEEM**
Many dating platforms encourage users to rate the images that people upload. This has created potential for negatively impact a young person's self-esteem, and body can be rated anonymously, with notifications informing them if someone has then declined to match with them. This form of rejection can feel extremely hurtful and degrading.
- KEEP THE CONVERSATION GOING**
Encourage your child that they can always talk to you about anything online that's worried them. Emphasise that if they're being asked unwanted images - you'll tell you a trusted adult or video chat them about it. Don't send them a strange image or video chat them about it. Don't send them a strange image or video chat them about it. Don't send them a strange image or video chat them about it.
- TAKE A 'SAFETY FIRST' STANDPOINT**
Encourage your child to be careful about who they send invitations to and accept them from - on dating sites and apps. Encourage them to be clear about who they're sending their photos and videos to. Encourage them to be clear about who they're sending their photos and videos to. Encourage them to be clear about who they're sending their photos and videos to.

CATCHING AND SCAMS
Creating a false identity to deliberately lure people into a relationship (whether romantic or platonic) online is known as catfishing. Commonly, someone pretends to be someone else to gain trust. A young person's feelings can be hurt. A young person's feelings can be hurt. A young person's feelings can be hurt.

STALKING AND HARASSMENT
Stalking is obsessive behaviour by an individual towards another person. It can be very scary and even the fear of violence. There have been frequent reports of young people being stalked on dating apps, with perpetrators leaving new accounts in response to being reported or blocked. It's a number one concern for young people who have given out personal details (such as their street or school name) online.

PROTECT CONTACT DETAILS
If a young person is interested in using online dating sites or apps, strongly encourage them to check the facility to conceal their phone number, ensure that the young person's contact details (such as their phone number, email address and social media handles) are not shared with anyone. This is easy to do via providers like iMessage, Yahoo! Mail or Gmail.

HIGHLIGHT COMMON DANGER SIGNS
Talk to your child about some of the warning signs in online dating requests for money, for instance, should always ring alarm bells. Likewise, if a young person is in contact with someone who is pressuring them into providing personal or financial information - or who they suspect is trying to trick them into a relationship, encourage communication immediately and contact the dating service provider.

Advice for Parents & Carers

10 WAYS GAMING CAN SUPPORT POSITIVE OUTCOMES in Children and Young People

Gaming, of course, is phenomenally popular with children and young people. In 2023, for instance, more than three-quarters of teenagers played online games, with almost 70% of primary school aged children doing likewise. If enjoyed in moderation and supported by a healthy routine (eating hydrated, good sleep habits, taking breaks and so on), gaming can actually benefit a person's mental health. As long as we stay alert for potential risks, games can be much more than what we see on the surface: they can be a way to facilitate, an avenue for creativity and a route to solving problems. Check out our top ten tips on how gaming online can sometimes work to your child's advantage...

- THE FEEL-GOOD FACTOR**
Gaming is so popular because of the sense of achievement for the player. Each achievement is a goal and a reward. The sense of achievement is a dopamine hit that makes us happy or excited. There are many ways to feel good, but gaming is one that is accessible to almost everyone. It's a great way to feel good and happy.
- ACHIEVEMENT & PRIDE**
A sense of achievement is a powerful motivator for us all and can be particularly useful for young people who are struggling with their self-esteem. Gaming offers a way to feel good and happy, which can sometimes lead to a more positive attitude towards life in general. It's a great way to feel good and happy.
- SOCIAL SALVATION**
Gaming can be an incredibly social activity. Whether playing online with friends, what we call 'gaming buddies', or even after school in person, gaming offers a way to feel good and happy. It's a great way to feel good and happy.
- TEAMWORK MAKES THE DREAM WORK**
In many online games, teamwork is crucial to winning. It's a great way to feel good and happy. It's a great way to feel good and happy.
- REAL-WORLD RELATABILITY**
Because many major releases are based on real-world events, games like Assassin's Creed and Call of Duty offer a way to feel good and happy. It's a great way to feel good and happy.
- A DIGITAL COMFORT**
Video games can provide a realistic sense of control and mastery. It's a great way to feel good and happy. It's a great way to feel good and happy.
- PROBLEM-SOLVING PRACTICE**
It can be difficult for young people to solve problems in the real world. Gaming offers a way to feel good and happy. It's a great way to feel good and happy.
- THE GREAT ESCAPISM**
A certain amount of escapism is a healthy thing. It's a great way to feel good and happy. It's a great way to feel good and happy.
- TRIED & TRUSTED**
There can be risks in what we do online. Gaming offers a way to feel good and happy. It's a great way to feel good and happy.
- ENCOURAGING CREATIVITY**
Inventiveness is a huge part of our lives. Gaming offers a way to feel good and happy. It's a great way to feel good and happy.

NO IDLING CAR ENGINES IN THE CAR PARK PLEASE

Always switch your engines off when in a parked car. Leaving your engine running when your vehicle is stationary is called idling. This creates air pollution by increasing the levels of exhaust fumes and harmful gases in the air. No one, especially children, should have to breathe in these fumes.
