PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school to spend on improving the quality of physical education and sport for all their children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Vision – School

To provide a fun, educational PE curriculum through regular physical activity. Children should also have the opportunities to experience a variety of sports, extra-curricular activities and clubs to increase their participation in both extra-curricular clubs and competitions. PE and Sport should be enjoyable, challenging and increase children's self-esteem, understanding and skill.

Key outcome indicators

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
6. Increased confidence and competence when making choices to travel
