

2023 Performance Data

Key stage assessment data collection is a statutory process which takes place every June after pupils in years 1, 2, 4 and 6 have completed the following statutory tests:

- Year 1 pupils complete the Phonics Screening Check (PSC)
 - Year 2 pupils complete the Key Stage 1 Standard Assessments Tests (SATs)
 - Year 4 pupils complete the Multiplication Tables Check (MTC)
 - Year 6 pupils complete the Key Stage 2 Standard Assessment Tests (SATs)

Progress Measures

Progress measures show the progress that pupils make from the end of Key Stage 1 to the end of Key Stage 2 compared to the progress of other pupils nationally. A negative score does not mean that pupils did not make progress, rather it means they made less progress than those who had similar attainment at the end of key stage 1 whereas a positive score means that they made more progress than those who had similar attainment at the end of key stage 1.

The government did not publish Key Stage 2 data throughout Covid and therefore the data below may not reflect current school progress.

	2019	2018	2017
Reading	-1.0	-1.4	-0.3
Writing	-1.1	0.4	-1.1
Maths	-0.4	-1.1	-0.1
